

## VILAC CO., LTD. 주식회사 비락

Based on a corporate philosophy of 'The attainment of healthy society' created in 1963, Vilac Co., Ltd. has been contributing to improving people's health and developing a better diet culture as a leading company in the dairy industry for 55 years of history. We have been taking the lead in developing excellent products based on a motto of "Be the first when inventing creative ideas and get started earlier than anyone else". As a leading competitor in the dairy industry, we have been thoroughly focused on quality control systems and acquired the certification of Hazard Analysis and Critical Control Points (HACCP).
